Firenze Day Care Centre
Vancouver, British Columbia

ARCHITECT

HB/IBI

Contact: Ms. Julianne Barz

CONTRACTOR

ITC Group

SCOPE OF WORK

Exterior rainscreen complete with iClad aluminum sub-structure

Firenze Day Care Centre is nestled between two high-rise condominiums in downtown Vancouver. It's considered one of the most innovative municipal designs. Utilizing compact laminate in a variety of colours, HB/IBI Architects have achieved a beautiful design that satisfies the City of Vancouver's mandate for long-term performance.
